Dear Bhanu Durgesh Dammala,

We are pleased to extend an official offer for the role of **Campus Ambassador** at **Ashna AI**. After assessing your skills, enthusiasm for innovation, and affinity for artificial intelligence, we are confident that you will play a vital role in expanding Ashna AI's presence within your campus community.

This opportunity will allow you to foster leadership skills, build professional networks, and help drive impactful AI-based initiatives in the academic space.

Internship Details

Position Title: Campus Ambassador

Program Duration: 10th May, 2025 – 10th August, 2025
(3 months)

Mode of Engagement: Remote (Work From Home)

Commitment: Minimum 10 hours per week (Flexible scheduling)

Stipend Range: ₹5,000 – ₹10,000 per month
(Performance-based)

Reporting To: Program Coordinator, Ashna AI

Working Days: Monday – Friday

Type: Part-time Internship

This role is designed to equip you with hands-on experience in brand representation, event management, and networking within the educational ecosystem while aligning with Ashna AI's objective of transforming learning through artificial intelligence.

Your Responsibilities

As a Campus Ambassador, you will undertake the following responsibilities:

1. **Brand Promotion:**

- Represent Ashna AI across your campus by promoting its products, services, and academic initiatives.
- Disseminate information through social media platforms, campus groups, and offline engagement activities.

2. **Event Coordination:**

- Organize and execute events such as webinars, workshops, hackathons, and seminars to generate AI awareness and engage students and faculty.
- Coordinate logistical details and maintain communication between Ashna AI and relevant campus stakeholders.

3. **Community Building:**

- Establish and maintain a community of students interested in artificial intelligence and related technologies.
- Facilitate discussions on AI advancements while promoting knowledge-sharing events.

4. **Relationship Management:**

- Build relationships with faculty members, student organizations, and college administrations to enhance Ashna AI's on-campus presence.
- Serve as a point of contact between Ashna AI and your institution for partnership opportunities.

- **Feedback and Reporting:**

- Provide periodic updates highlighting event outcomes, challenges encountered, and student engagement metrics.
- Offer constructive feedback on improving Ashna AI's outreach initiatives.

- **Staying Informed:**

- Consistently stay updated on the latest developments in AI and Ashna AI's offerings to effectively communicate innovations to the student body.

What We Expect From You

To fulfill your role effectively, the following expectations must be adhered to throughout the course of the program:

Professionalism: Maintain a high standard of professionalism in interactions with peers, faculty, and Ashna AI personnel.

Timely Communication: Ensure prompt communication with your reporting manager and deliver regular updates on assigned responsibilities.

Initiative: Demonstrate proactive problem-solving and ownership of tasks related to campus outreach activities.

Commitment: Dedicate the required time to campaigns, events, reporting, and promotional activities as outlined.

Ethical Conduct: Uphold confidentiality regarding internal information, adhere to company policies, and represent Ashna AI ethically in all engagements.

Social Media Engagement: Utilize your platforms to promote Ashna AI initiatives while complying with the company's branding guidelines.

Benefits & Perks

As a Campus Ambassador at Ashna AI, you will receive the following benefits:

- **Stipend:** Competitive monthly remuneration based on performance (₹5,000 – ₹10,000).
- **Certification:** Certificate of Completion upon successful internship completion.
- **Letter of Recommendation:** Provided based on performance metrics after program completion.
- **Professional Development:** Exclusive access to Ashna AI's Pro Toolkit for learning and productivity enhancement.
- **Recognition and Rewards:** Performance incentives and the possibility of a Pre-Placement Offer (PPO) for exceptional contributors.
- **Flexible Schedule:** Ability to balance program duties with academic commitments.
- **Official Email ID:** Dedicated @ashna.ai email account for professional communications.
- **Goodies and Merchandise:** Exclusive company-branded merchandise and welcome kit.

Terms of Engagement

- **Duration & Mode:** Remote, two-month program with flexible working hours adhering to time commitments.
- **Performance Evaluation:** Ongoing monitoring of task completion, event management, and reporting efficiency.
- **Professional Conduct:** Adherence to Ashna AI's internal guidelines, confidentiality agreements, and code of conduct at all times.
- **Termination Clause:** Ashna AI reserves the right to terminate the engagement if program expectations are not met, policies are violated, or there is a breach of conduct. The selected candidate may also withdraw from the program with prior notice.
- **Intellectual Property Compliance:** All materials developed, including promotional content or event-related ideas, will remain the intellectual property of Ashna AI.

To formally accept this offer:

Reply to this email with your confirmation and attach a signed copy of this letter.

Upon acceptance, you will receive onboarding instructions along with your official credentials and resources required for program initiation.

Review company policies, the Campus Ambassador handbook, and any additional preparatory material provided.

Schedule an introductory meeting with the assigned program coordinator for role clarification and onboarding proceedings.

Should you have any queries regarding this offer or require further clarification, please direct your concerns to campusambassador@ashna.ai.

We are excited to have you on board and look forward to the positive impact you will bring to Ashna AI's growth and innovation efforts on campus.

Sincerely,

Kajal Tiwari

Program Coordinator
