

SOCIETY FOR DATA SCIENCE (S4DS)

Tech-empowering' India's need for Data Scientists

Membership Certificate

This is to certify that **DAMMALA BHANU DURGESH** is a Student Member of the society for Data Science(S4DS) from **Oct-13-2023**. This membership is valid till **Dec-31-2024**.

The membership number :- **S4DS-SM-2023-00909**

Dr. Neha Sharma
Secretary
Society for Data Science

S4DS is a non-profit professional association to create a collaborative platform for bringing together technical experts across Industry, Academia, Government Labs and Professional Bodies to promote Innovation around Data Science.

Vision:

Empowering people in the field of Data Science through spread of knowledge and wisdom in an intelligent environment to improve life, business and governance and prepare tomorrow's data science researchers to address grand challenge problems

Mission:

- Enriching the knowledge of students, researchers, companies, governments and sponsors to structure their career to the glorious future in the field of Data Science.
- Creating a pool of distinguished experts to transform all fields, professions, and sectors through the application of data science
- Enhancing the academic ability to solve complicated business and societal problems through the analysis of large data sets
- Adopting the unique multidisciplinary approach where domain specific knowledge is used to truly understand the power and limitations of data.
- Ensuring the responsible use of data for the benefit of the society.
